### **Release of Liability and Indemnification Agreement For Spirit Mountain Recreation Area Authority**

While we at Spirit Mountain work hard to provide a great experience for you and your family, there are still certain hazards that require your full attention and vigilance. Always use common sense and follow the tips listed below to make your visit safer and more fun for everyone!

#### **Your Responsibility Code**

- 1) Always stay in control, and be able to stop or avoid other people or objects.
- 2) People ahead of you have the right of way. It is your responsibility to avoid them.
- 3) You must not stop where you obstruct a trail, or are not visible from above.
- 4) Whenever starting downhill or merging into a trail, look uphill and yield to others.
- 5) Always use devices to help prevent runaway equipment.
- 6) Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- 7) Prior to using any lift, you must have the ability to load, ride, and unload safely.

Be advised that all marking devices, signage, and/or equipment covers are used by Spirit Mountain to inform you of any potential hazards. These markers are no guarantee of your safety and will not protect you from injury. Oversnow vehicles, grooming tractors, and snowmaking equipment may be on the slopes at any time. Always give them plenty of space! We ask that you do not build jumps or obstacles of your own on the runs as they may become an unknown hazard to others.

In order to maximize the safety and enjoyment of all our guests, we will not tolerate irresponsible behavior. Those pass holders who do not adhere to the Spirit Mountain policies and Responsibility Code listed here risk losing their Season Pass privileges for doing so. Management reserves the right to suspend or revoke Season Passes in any areas of the facility for any behavior deemed inappropriate, including the use of substances which impair physical or mental abilities. We ask our guests to enjoy the openness and freedom of the winter experience: ***Without profanity. Without using rude behavior or gestures. Without defacing property.***

***Without skiing or snowboarding in closed areas. Without inappropriate behavior toward Spirit Mountain personnel or other guests. Without skiing, snowboarding, or jumping recklessly. And, without improper riding of the chairlifts (which includes bouncing, swinging, vandalizing, throwing snowballs, spitting from the lifts, and jumping out of the lifts).*** Remember, this is your playground. Please keep it clean and be considerate of others.

I Understand and accept the fact that skiing and snowboarding in their various forms are hazardous sports that have many dangers and risks. I realize that injuries are a common and ordinary occurrence of these sports. I agree, as a condition of being allowed to use the Spirit Mountain facility and premises, that I freely accept and voluntarily assume all risks of personal injury or property damage which results in any from negligence, conditions on or about the premises and facilities, the operations of the area including, but not limited to, grooming, snowmaking, chairlift operations, actions of Spirit Mountain personnel, or other activities at the area, accepting myself the full responsibility for any and all damage or injury of any kind which may result. As a season pass holder I waive all rights to any photographic or video images taken by or for Spirit Mountain Recreation Area while exercising the right to use my Season Pass.

I agree that I have read, understand and agree to abide by this Membership Agreement.
