

Questions/Responses

Spirit Mountain Stormwater Planning RFP

Question: Is it possible to visit the site prior to submitting a bid?

Response: Yes, if you want to see the site, please notify us when, so we know you are on the property. There will not be any guided tours. A guided tour will be a service provided to the awarded team once a contract is in place.

Question: What was the reason for it being rebid?

Response: This was rebid to meet the local, state, and federal purchasing guidelines for a project of this type.

Question: Who is doing the design for the new Upper Spirit Chalet work noted in the RFP?

Response: The upper chalet project is on a temporary pause. We will share the full details with the awarded consultant team.
